New Challenges on Educating Young Talents: A Case Analysis on National Chengchi University

Presenters : Jason C. Chan & Tsao-Lin, Fong
(College of Education, NCCU)

**Information provided by: NCCU Secretariat, Center for
Learning and Teaching Development,
Center of General Education, Office of International
Cooperation**

What kind of young talents we expect to cultivate?

General Education as a Basis of Professional Education

- We uphold the spirit of liberal arts education in general education by planning “thick foundation” and “wide caliber” courses that emphasizes on interdisciplinary learning, integration of knowledge, ability- and outcome-based learning.

- 1.To implement pilot experiment of core general education courses**
- 2.To develop curriculum maps**
- 3.To enhance quality and quantity of general education in natural science**
- 4.To start liberal arts experimental class**
- 5.To drive participation of whole campus**
